

THE GOLD COAST DRUG COUNCIL INC.

The Gold Coast Drug Council Inc., also known locally as Mirikai (formerly the Drug Referral Centre), is a registered charitable institution. It was established in 1971 as the first alcohol and drug service on the Gold Coast and received a land grant from the Gold Coast City Council in 1981 to develop services in West Burleigh. Since that time we have developed into a centre for education, prevention, assessment, referral and detoxification.

In addition to the Mirikai ("place of peace"), Therapeutic Community Program, we offer a growing number of programs, such as the Personal Support Program (PSP), Drug Court, QIDDI, Youth Outreach service, Family Therapy service and OASIS supported accommodation programme. In recent years we have developed a specialist clinical team to manage and treat clients with both addictions and mental health disorders (referred to as "dual diagnosis"). We continue to review and develop our services to meet new needs.

The Gold Coast Drug Council also provides a 24 hour telephone information and referral service for people wanting assistance to address drug-related problems. We handle thousands of telephone calls and enquiries each year.

The Gold Coast Drug Council has been quality accredited by the Institute of Healthy Communities Association since 2001.
